Related Information on Transport Statistics

Collection & Dissemination

- ✓ Research and Strategy Division (RSD) is the primary focal point for statistics and data for sectors under the Ministry of Transport and Infocommunications (MTIC).
- ✓ The statistics are published to the MTIC website (<https://www.mtic.gov.bn>).
- ✓ They are also published to the Brunei Darussalam Statistical Yearbook (BDSYB) on the Department of Economic Planning and Statistics (DEPS) website (<https://deps.mofe.gov.bn>).

Challenges

- ➔ Collection of GHG emissions data for all transport sectors. Currently, there are no officers with sufficient training on this.
